

MATT MARSHALL & CO.

A THERMOGENICS COMPANY

Steam is Our Specialty

BOILERS, BURNERS, ANCILLARY EQUIPMENT AND PARTS

FULL SERVICE BOILER ROOM AND EQUIPMENT SUPPLIER · INDUSTRIAL · COMMERCIAL · INSTITUTIONAL

We service and carry parts for all makes, models and types of boilers.

Please call for information on special applications, or parts not shown. 336.292.8477

EQUIPMENT

- Steam, hot water and electric boilers, and thermal fluid systems.
- New, used and rental boilers

ANCILLARY EQUIPMENT

- Condensate tank and pump return systems
- Deaerators
- Chemical feed systems - Helwig, Neptune, and other brands
- Feed Water Systems
- Blowdown Separators
- Feed Water Systems
- Blowdown Separators

WE STOCK THE FOLLOWING PARTS AND PRODUCTS AND MORE (DELIVERY AVAILABLE)

- Authorized Honeywell RM7800 stocking distributor
- Chemical feed pumps
- Boiler refractories - plastic, firebrick, castables, cement tile.
- Float balls & valves - copper, stainless steel, plastic, various sizes.
- Flue brushes - fine and coarse wire, scrapers & comb. Scraper - brushes.
- Fuel filters & strainers - cartridge and basket type, refills.
- Fuel pumps - Webster, Tuthill, Viking, Sunstrand and others.
- Gaskets -handhole, manhole, moulded rubber Topog - E, fiberglass, Flexitallic (spiral wound).
- Gasket sealing materials -make-up tape, rope, millboard, adhesives.
- Gauge glass -Redline Pyrex, Penberthy, high pressure, heavy wall, etc.
- Industrial boilers -high pressure - low pressure, oil, gas, oil & gas combination.
- Packing & mechanical seals -pumps, valves, etc.
- Pressure regulators -Fisher, (stocking distributor), Maxitrol, Spence, Powers
- Safety and Relief Valves -steam, water, air, gas, and other liquids.
- Steam Traps -various types, bucket, float & thermostatic, thermodynamic, etc.
- Temperature controls -Honeywell, Spence, Fisher, Partlow, Fenwal and more.
- Transformers - burner ignition, Webster, Allanson, Dongan.
- Valves -all types & sizes, gate, globe, ball, check, non - return, metering.
- Water level gauge sets – Penberthy, Conbraco, Clark - Reliance.
- Watersofteners - Bruner, Kisco, Marlo, Lakewood, Culligan

BOILER LIFECYCLE SOLUTIONS

24/7 SERVICE, PARTS, PRODUCTS AND RENTALS

BRANDS WE CARRY

- ASCO/General Controls - (combustion products distributor); solenoid valves, kits, coils.
- Auburn (stocking distributor) - electrodes, flame rods, ignitors
- Aurora (lockwood) - boiler feed, condensate, motor base couplings, repair parts, kits
- Bell & Gossett - pumps, parts, hydronic specialties.
- Burks Pumps - boiler feed, turbine, centrifugal & repair kits.
- Continental Boiler - obsolete parts and equipment.
- Everlasting -boiler blowdown valves, quick & slow opening {all sizes}.
- Fireye Controls - combustion controls.
- Fuel efficiency - brock turbulators
- Goodway technologies -boiler tube, condenser tube cleaners
- Grundfos - pumps, stacks, kits, seals, motors
- Honeywell RM 7800 series burner control (authorized stocking distributor) - boiler/burner, flame safeguard controls, combustion solutions distributor.
- Honeywell (stocking distributor) -combustion controls, pressure & temperature, etc
- Magnatrol - solenoid valves, for steam, air, water, oil.
- Marsh/Marshalltown, Ashcroft gauges -pressure, vacuum, compound, thermometers, etc.
- McDonnell & Miller/Xylem US - (stocking distributor) - boiler water feeders, low water cut-offs, pump controls, etc.
- Pennsylvania separator products - (factory rep.) blowdown separators, silencers, economizers.
- Siemens -combustion control products.
- Testo -combustion analyzers, O2, CO2, NOX, SO2 monitoring.
- Watts -relief valves, reducing valves, pressure regulators, backflow preventers.

Honeywell

SIEMENS
Combustion Controls Division

SERVICES WE OFFER

- 24/7 service
- Quarterly & annual inspections
- Preventative maintenance
- Safety checks
- Combustion analysis
- Troubleshooting
- Boiler feedwater pump service
- Refractory repair
- Service contracts
- Steam trap surveys
- Deaerator inspections
- Water softener evaluation
- Complete boiler room packages and installations
- Control systems design and installation
- Boiler tube cleaning systems
- Burner Conversions – all types
- Non-Destructive Testing
